

Prediction:

Categories: biggest percent from one industry?

Top 10 in us make most money (predict 5)

Majority male over 50 years old?

Add another dataset: previous year of forbes data

Questions we could ask:

Wealth that is inherited vs self made in certain parts of the world?

Age for some countries vs other countries billionaires?

What type of industry are billionaires in?

- What industries made billionaires in what age group/ demographic?

~~How does someone get rated within the philanthropyScore?~~

Age group wealth vs other age groups

Male vs female billionaires - pie chart or bar chart

Billionaires by country scaled scatterplot

Columns we could drop:

year

month

City

State

Source

Organization

countryOfCitizenship
